

The Details

FABRICATED BY SUPER ABSORBENT MICRO-FIBER AND COTTON WOVEN
AND STITCHED ON THE WATER-PROOF DURABLE RUBBER MAT,
THE 'MICROMAGIC' MAT CLEANS BOTTOM OF SHOES
PERFECTLY WHILE YOU WALK A FEW STEPS ON IT.

STEP
1

The first step on the 'MicroMagic' mat :
The mat scrapes dust and dirt off of shoe soles.

STEP
2

The second step on the 'MicroMagic' mat :
The mat grasps dust and dirt with its strands.

STEP
3

The third step on the 'MicroMagic' mat :
The mat absorbs water and moist out of shoe soles.

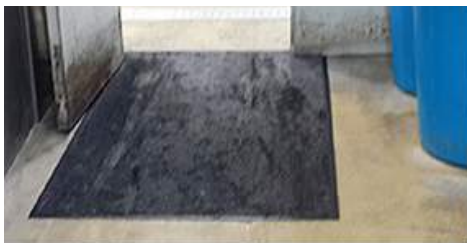

No matter where or when you wear shoes, the shoe soles easily attract dust, dirt and mud, which means you track that same dirt and dust around everywhere you go while in those shoes. Dirty soles can also bring bacteria and contaminants that end up on your clean floor if you don't clean them before entering clean areas inside. Clean your shoe soles before every gates of all clean zones.

How to care for the mat

REMOVE DUST AND DIRT ON THE MAT BY USING A VACUUM CLEANER.
YOU MAY USE A WASHING MACHINE,
AFTER THEN HANG OR LAY IT OVER A RACK OR TABLE TO DRY IN A SHADE AREA.
WHEN USING A WASHER, USE A LINT TRAP IF AVAILABLE.

NOTES

WASH IT BEFORE USE
SPRAY IT WITH WATER.

THE 'MICROMAGIC' MAT BECOMES FUNCTIONAL BETTER WHEN IT KEEPS ITS SURFACE MOIST.
MICRO-FIBER SHEDDING MAY HAPPEN OVER A FEW WASHES FOR THE FIRST TIME, BUT THAT IS NORMAL.

How to wash and clean the mat

- Soak the mat then scrub it gently with a brush head.
If necessary, apply a mild detergent with water on it.
 - You may use a washer to clean the mat, then hang or lay it over a rack or table to dry in a shade area.
 - Use a lint trap when washing it in a washer, and clean the washer after washing completed.
