

Bread Slicer ARM-608

"Quality slicers that make the cut, every time!"

Design

Powerful German style bread slicer designed for hard bread, French bread, with an oil lubrication system and bread pusher.

Features

- Cuts up to 300 Loaves per hr. (Thus depending on Loaf size and type)
- Engineered to slice hard crusted bread
- Made with a bread pusher, which pushes bread through moving blades.

- Oil lubrication system available at extra cost.

*Slice thickness is not adjustable, therefore please order your machine with 5/8" or 1/2" slice thickness.
